

# Contents

<b>Disclaimer</b> .....	VI
<b>Introduction</b> .....	VII
<b>Chapter 1 History of Fermented Meats</b> .....	1
1.1 History of Fermented Sausages .....	1
1.2 How Fermented Sausages Differ From Others .....	3
<b>Chapter 2 New Concepts</b> .....	5
2.1 Aw - Water Activity .....	5
2.2 pH - Measure of Food Acidity .....	8
2.3 Temperature Control .....	10
2.4 Humidity Control .....	11
<b>Chapter 3 It's All About Bacteria</b> .....	13
3.1 Understanding Bacteria .....	13
3.2 Microorganisms .....	14
3.3 Restricting Bacteria Growth .....	15
3.4 Bacteria Growth With Temperature .....	16
3.5 Food Spoilage Bacteria .....	17
3.6 Pathogenic Bacteria .....	17
3.7 Destruction of Bacteria .....	18
3.8 Toxins .....	20
3.9 Beneficial Bacteria .....	20
3.10 Lactic Acid Bacteria .....	20
3.11 Color and Flavor Forming Bacteria .....	22
3.12 Yeasts .....	24
3.13 Molds .....	25

<b>Chapter 4</b>	<b>Fermentation Step by Step</b>	27
4.1	Traditional Slow Fermenting Process	31
4.2	Fast Fermenting Process	36
<b>Chapter 5</b>	<b>Starter Cultures</b>	39
5.1	Culture Types	41
5.2	Chr. Hansen Starter Cultures	42
5.3	Guidelines For Choosing Starter Cultures	45
5.4	How To Choose The Correct Culture	48
<b>Chapter 6</b>	<b>Types of Fermented Sausages</b>	51
6.1	Slow-Fermented (Dry) Sausages	53
6.2	Traditional Sausages (N. Europe and USA)	57
6.3	Semi-Dry Fermented Sausages	61
6.4	Fast-Fermented Sausages	63
6.5	Medium Fast-Fermented Sausages	65
6.6	Raw, Moist, Spreadable Fermented Sausages	66
6.7	Cooked Fermented Sausages	67
6.8	Non-Fermented Salami	69
<b>Chapter 7</b>	<b>Ingredients and Additives</b>	73
7.1	Nitrates	73
7.2	Salt	73
7.3	Sugars	75
7.4	Spices	80
7.5	Additives	83
<b>Chapter 8</b>	<b>Making Fermented Sausages</b>	87
8.1	Chance Contamination	87
8.2	Back Slopping	87
8.3	Starter Cultures	87
8.4	Basic Sausage Making Steps	89
8.5	Fermented Sausages Made From Other Meats	91
8.6	Sausage Color	105
8.7	Sausage Texture	106

8.8	Sausage Flavor .....	106
8.9	USA Standards .....	108
8.10	Constant Temperature Fermentation .....	109
8.11	Variable Temperature Fermentation .....	110
8.12	Canadian Fermentation Standards .....	111
8.13	Safety Options & Examples .....	115
<b>Chapter 9</b>	<b>Safety Hurdles .....</b>	<b>119</b>
9.1	Types Of Hurdles .....	120
9.2	Meat Selection .....	121
9.3	Curing With Salt .....	122
9.4	Curing With Nitrite/Nitrate .....	123
9.5	Lowering pH .....	123
9.6	Lowering Aw .....	124
9.7	Bio-Protective Cultures .....	125
9.8	Smoking .....	126
9.9	Cooking .....	127
9.10	Guidelines for Cooking Meat Products .....	127
9.11	Guidelines for Cooling Meat Products .....	129
9.12	Spices .....	129
9.14	Cleanliness .....	131
<b>Chapter 10</b>	<b>Equipment .....</b>	<b>133</b>
10.1	Temperature Control .....	134
10.2	Line Voltage Thermostat-Single Stage .....	134
10.3	Line Voltage Thermostat-Two Stage .....	136
10.4	Humidity Control .....	137
10.5	Adjustable Humidifiers .....	140
10.6	Separate Fermentation and Drying Chambers .....	143
10.7	Thermometers .....	144
10.8	Air Speed.....	144
10.9	Hanna Instruments Meat pH Meter .....	146
10.10	Water Activity Meter .....	148
10.11	Improvised Equipment .....	149
10.12	More About Cold Smoking .....	150
10.13	More About Humidity Control .....	151
10.14	Weighing Cultures and Spices .....	152

<b>Chapter 11</b>	<b>Guidelines to Sausage Recipes</b> .....	153
11.1	General Recommendations .....	154
11.2	Starter Cultures, Fermentation and Drying .....	155
11.3	T-SPX Slow-Fermenting Culture .....	156
11.4	F-1 Fast-Fermenting Culture .....	157
11.5	F-LC Fast-Fermenting Bio-Protective Culture .....	158
11.6	pH of the Sausage Mix .....	159
11.7	Choosing Sausage Type .....	159
11.8	Adapting Known Recipes .....	160
11.9	Summary, Tips and Guidelines .....	161
<b>Chapter 12</b>	<b>51 Sausage Recipes</b> .....	165
	Boerenmetworst .....	165
	Cacciatore .....	166
	Cervelat .....	167
	Chicken Fermented Sausage .....	168
	Chorizo .....	170
	Farmer Sausage .....	171
	Fuet .....	172
	Goteborg .....	173
	Gothaer .....	174
	Holsteiner .....	175
	Hungarian Smoked Sausage .....	176
	Kabanosy .....	178
	Kantwurst .....	179
	Kindziuk .....	180
	Landjager .....	181
	Lap Cheong .....	182
	Lebanon Bologna .....	183
	Loukanka .....	186
	Medwurst .....	187
	Merguez .....	188
	Metka .....	190
	Metka - Braunschweiger .....	191
	Metka - Salmon Style .....	192
	Mettwurst - Braunschweiger .....	193
	Mortadella .....	194

Moscow .....	195
Nham .....	196
Pepperoni .....	198
Podhalanska .....	201
Polish Cold Smoked Sausage .....	203
Polish Hot Smoked Sausage .....	206
Salami de Arles .....	207
Salami - Finocchiona .....	208
Salami - Genoa .....	209
Salami - Hungarian .....	210
Salami - Lombardia .....	212
Salami - Milano .....	213
Salami - Nola .....	214
Salami - Polish .....	215
Salami - Sorrento .....	217
Salchichón .....	218
Saucisson d'Alsace .....	219
Snijworst .....	220
Soviet .....	221
Sucuck .....	222
Summer Sausage .....	225
Tambov .....	227
Teewurst .....	228
Tourist .....	229
Thuringer .....	230
Urutan .....	231

**Appendix A Supplementary Information** ..... 233

A.1	All About Nitrates .....	233
A.2	How To Read Humidity Tables .....	242
A.3	Botulism .....	248
A.3	Trichinae .....	249
	References .....	254
	Index .....	257
